

BIRTHDAY PARTY

ANIMAL EXPERIENCE

An animal experience is a wonderful way to add excitement to your birthday party! This experience is offered during our 1:30-3:30 time slot only. (Maximum of 15 children)

The Milwaukee County Zoo's friendly and knowledgeable Family Farm Staff will host your animal experience which includes *any combination of three (3) animals* and lasts for approximately 30 minutes. Our staff will arrive around 2:30pm. Your guests will get a closer look at some of our fun creatures. A Farm staff member will also answer any questions about habitat and behavior.

PLEASE FILL OUT FORM AND RETURN IT TO THE GROUP SALES DEPARTMENT.

I understand that the animal experience is not guaranteed. At the Milwaukee County Zoo, our primary concern is the care and safety of the animal population. Many factors are considered regarding animal health and safety, such as heat, humidity, and condition of the animal. All private events should be aware that the needs of our animals, must and will come first. A minimum three-week notice is required to request an animal experience.
